## Spring Cleaning / Yard Clean-up

- Now is a great time to get your yard in shape for the summer.
- When utilizing the yard and branch debris site located at the city lagoons on German Ave, we ask that you separate any bags and garbage from what you take to the site.
- City staff does not have time to sort garbage from yard waste.
- If you bring yard waste in garbage bags or cardboard, please dump the yard waste out in the appropriate pile and take the garbage home with you and place with your trash.
- Its also a great time to remove litter, junk (junk cars) and garbage from your yard. Avoid a nuisance letter from the city.
- Don't forget to pick up dog doo from your yard and when you have fido out for a walk! No one wants to step in

**THANK YOU!!!**

City Ordinance – Chapter 155  
International Property Maintenance Code Section 303  
**Swimming Pools, Spas and Hot Tubs**

303.1 **Swimming pools.** Swimming pools shall be maintained in a clean and sanitary condition, and in good repair.

303.2 **Enclosures.** Private swimming pools, hot tubs and spas, containing water more than 24 inches in depth shall be completely surrounded by a fence or barrier not less than 48 inches in height above the finished ground level measured on the side of the barrier away from the pool. Gates and doors in such barriers shall be self-closing and self-latching. Where the self-latching device is less than 54 inches above the bottom of the gate, the release mechanism shall be located on the pool side of the gate. Self-closing and self-latching gates shall be maintained such that the gate will positively close and latch when released from an open position of 6 inches from the gatepost. An existing pool enclosure shall not be removed, replaced or changed in a manner that reduces its effectiveness as a safety barrier.
